Offer for Users

BitTON.AI provides users with a structured staking and deposit program, ensuring predictable rewards over a 135-day period:

1. We charge a 10% deposit fee, but the user receives a corresponding share of our native tokens, and their overall result remains unchanged.
2. For a user who wants to unlock a new option, the deposit amount must be at least equal to the last deposited amount.

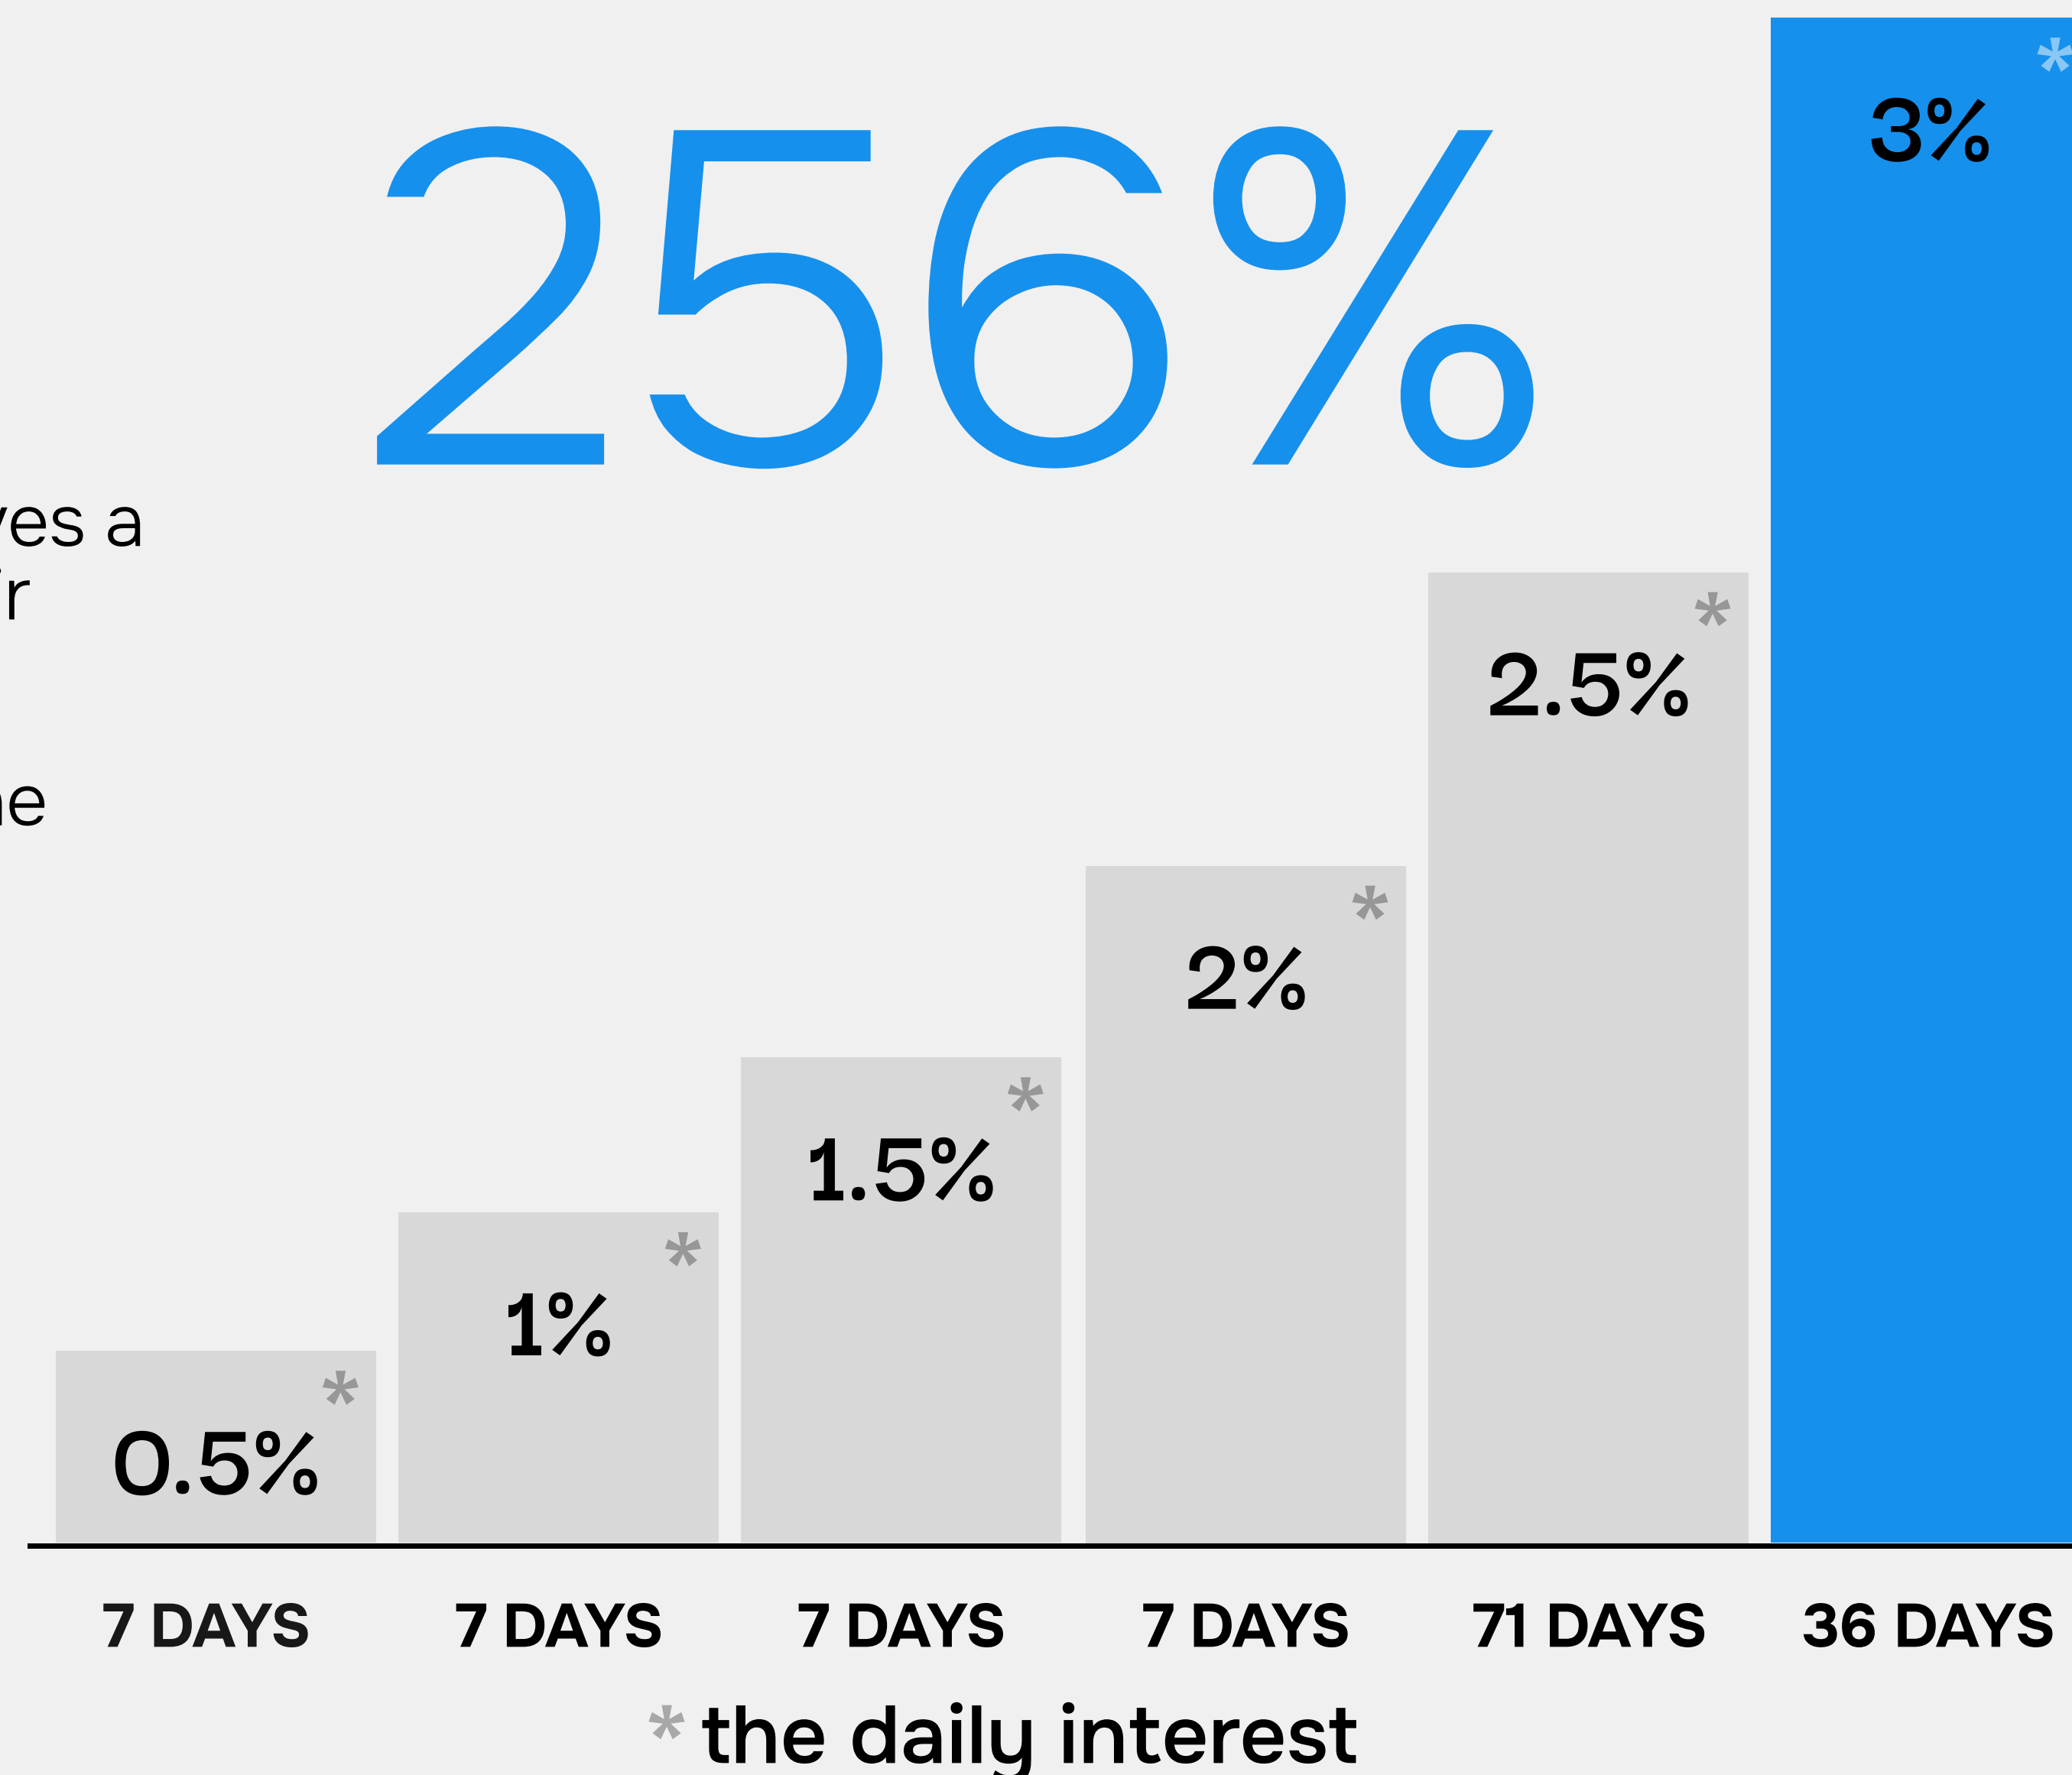

User Payments:

All deposits are made in TON tokens.

Rewards & Paybacks:

Users receive staking rewards and principal paybacks in BitTON.AI tokens.

Minimum deposit and withdrawal **1 TON**

Compensation Plan for Partners

BitTON.AI offers a lucrative affiliate structure to reward active contributors:

Affiliate Commission Structure:

Level	%	Requirement
Level 1	7	Open
Level 2	4	Open
Level 3	3	\$2,000 personal volume or \$10,000 team volume
Level 4	2	\$2,500 personal volume or \$15,000 team volume
Level 5	1	\$3,000 personal volume or \$20,000 team volume
Level 6	1	\$5,000 personal volume or \$25,000 team volume

Team Bonus

BitTON.AI introduces a structured Weekly Team Bonuses model based on Team Turnover:

Team Turnover	Deposit	Directs	Weekly Team Bonuses
\$1,000	\$50	3	\$25
\$5,000	\$100	5	\$100
\$20,000	\$500	10	\$200
\$100,000	\$2,500	10	\$1,000
\$250,000	\$5,000	10	\$2,500
\$500,000	\$10,000	10	\$5,000
\$1,000,000	\$25,000	10	\$10,000

After you reach your first salary, subsequent salaries will be approved weekly, but only if the turnover of the current week increases by at least 50% compared to the results of the previous week.

For team volume purposes, only a maximum of 50% of the required volume will be taken from any branch, up to 10 levels deep.

Payments will be processed bi-weekly, on the 1st and 15th of every month.
